Mo. 9131435356 Email ID: divyanshtiwari7270@gmail.com
Linkedin: <https://www.linkedin.com/in/divyansh-tiwari-719954262/>

Objective

Constantly seeking to engage my knowledge to learn something useful and keep challenging myself to be a better performer in accordance to the company’s requirements. Good and quick learner, team player, love to learn new things, flexible with different technologies.

Technical Skills

• **Programming and Technologies:** HTML ,CSS, JavaScript, SQL-basic, JAVA.

Internships

Web Development Intern – (Virtual)
09 May 2025 – 15 Jun 2025

-CodeVeda Technologies

- Received project requirements and coding tasks via email from the company and completed them independently.
- Developed functional and responsive web applications using **HTML, CSS, and JavaScript**.
- Submitted completed code to the company through email after thorough testing.
- Enhanced self-learning ability and problem-solving skills by working without direct supervision.

Projects

Major : [CodeStruct – AI-Powered LeetCode Problem Solver](#) (Ongoing)

- Built a web-based tool to visualize LeetCode problems with beginner, brute force, medium, and optimal solutions.
- Integrated **AI (GPT)** to explain solutions and provide step-by-step guidance.
- Implemented interactive solution trees and animations for better learning.
- Tech Used:** HTML, CSS, JavaScript, GPT API

Mini : [Portfolio Website](#)

- Developed a responsive personal portfolio to display skills and projects.
- Optimized for both desktop and mobile devices.
- Tech Used:** HTML, CSS, JavaScript, GitHub

Education			
• Shri Ram group of Institution	B.Tech-CSE	CGPA: 8.05	(2022-Present)
• Sarvottam Higher Secondary School	10th	71.4	(2017)
• Model School of Excellence	12th	12th: 95.2%	(2019)

Certifications

- **Artificial Intelligence** Certification – [Infosys Springboard](#)
- Data Structures and Algorithms (**DSA**) Certification – [Apna College Certification](#)
- Frontend Development Certificate – [DevTown](#)

Achievements

- **Developed CodeStruct**, an AI-powered **LeetCode** problem solver with interactive visualizations.
- Built multiple mini-projects using **HTML**, **CSS**, **JavaScript** to strengthen programming logic.
- **Solved number of** coding problems on [LeetCode](#), demonstrating problem-solving skill.
- Successfully completed a **virtual internship** at CodeVeda Technologies by delivering assigned coding tasks on time.
- Created and maintained a **personal portfolio website** to showcase skills and projects.

Interests: Watching Sci-fi Films & future Tech

Soft Skills: Teamwork and Leadership
